ABOUT OUR FOUNDATION IN ARTS PROGRAMME

Transitioning from secondary education to tertiary studies can be challenging if a carefully-designed pathway is absent. The Foundation in Arts programme at KLMUC dissolves that worry. This programme serves to bridge students into a number of undergraduate programmes including business, accounting, human resource as well as multimedia. Students will develop higher-order thinking, interpersonal communication and academic readiness for their upcoming higher studies. Upon completing this programme, students will be guaranteed a direct entry to their desired undergraduate programme at KLMUC.

PROGRAMME AIM:

The Foundation in Arts is a pre-university programme that prepares students with the fundamental knowledge and skills required to pursue an undergraduate programme. This programme offers a good mixture of introductory modules such as Foundation of Management, Basic Academic Reading and Writing, and Introduction to Marketing which represent the building blocks of tertiary level studies. With this early exposure, you can rest assured that you will progress into the next academic journey comfortably.
